

## **Support Worker (Disability) – To Join Positive, Dynamic & Non-Judgemental Team**

We are a newly established organisation with strong existing connections in the Fraser Coast community. Welcoming & non-judgmental is the key. Come & be a part of our amazing team at Unicopia.

Our team of Support Workers are an integral part of our positive & community focused culture. As a Support Worker you are surrounded by leaders providing ongoing professional development & mentoring. Our aim is to see our participants succeed and we can only achieve this with your success also.

Unicopia has a multi-disciplinary team of support workers, early childhood intervention specialists, nursing staff, mental health & allied health practitioners.

As a support worker you will :-

- Be able to perform all tasks expected of a Support Worker. Have the necessary qualifications or be working towards achieving these (refer to position description).
- Be paid casual rates with additional penalty rates for overnight or weekend shifts, excellent remuneration depending on experience
- Professional development opportunities within a fast growing and dynamic organisation
- Work flexible shifts to fit around our participants goals which may also suit your lifestyle and commitments
- Permanent part time positions and higher pay rates will be considered for candidates on a case-by-case basis where extensive experience and skills within the disability industry is demonstrated.
- Employee Assistance Program offering confidential counselling support for employees and direct family members

Download the position description to see if the role is for you.

If this sounds like your next career step, we encourage you to email your resume and cover letter addressing the selection criteria to: [hr@unicopia.com.au](mailto:hr@unicopia.com.au).

**Current round of applications will close 30 November, 2021.**

**For any questions relating to this position, call Unicopia on Tel. 4155 5068.**
